

# WHY CHOOSE US?

Let us tell you why ....

## COMMON PROBLEMS

## HOW WE DIFFER

### RELIABILITY

Irregular service, show up late or don't show up at all. Never know when they're coming so gates are locked.

We run our work on 4-weekly or 8-weekly schedules. We always send text reminders the evening before we are due.

### QUALITY OF WORK

Windows get missed, frames aren't cleaned, leaves streaks/spots, window sills aren't cleaned, and doors don't get done.

We clean all the elements of your windows/doors. Not just the glass! Our filtration systems are constantly monitored to make sure the water is 100% pure. This is what allows the windows to dry naturally and spotless.

### PAYMENT METHOD

Never have cash, window cleaner knocking late at night/early on a weekend for cash, no bank details, forgot to make a payment.

We take the hassle out of window cleaning by using GoCardless for our payments. This DD system automates the whole process and keeps you notified all along with emails so you'll never have to remember to make a payment.

### COMMUNICATION

Not sure what the window cleaner is called, don't have any contact details, no website.

If you ever need to contact us, it's very easy. You can email us, call us, or even WhatsApp us. We put all our details on every communication we have. We have Emma manning the phones so someone will always be able to answer. If we don't, we will respond as soon as possible.

### REVIEWS/ RECOMMENDATIONS

I've been burnt before; I wish we could see reviews or get recommendations before signing up.

We pride ourselves on being the most reviewed, independent window cleaning company in Leeds with 100+ 5-star reviews.
